Our School

St. Mary's Senior Secondary School, Civil Lines, Moradabad is an Educational institution, run by the Catholic minority community, named established in the year 1954 and is affiliated to and recognized by the Central Board of Secondary Education, New Delhi.

The aim of the institute is to impart an all round education of children, inculcating in them feelings of patriotism and brotherhood and make them spiritual and pure minded persons to elevate the tone of the society in which they live and move.

Dear Parents, Teachers, and Students,

“ Education is the passport to the future, for tomorrow belongs to those who prepare for it today.” —Malcolm X

02

Education is the foundation of life. In today's educational system, the child is at the center, with both parents and teachers sharing the responsibility for the child's holistic development. This is because children today are assessed not only by their academic performance but also by their behavior and character. Schools are equipped with various facilities to foster students' interests and help them grow constructively.

In our fast-paced world, many parents are occupied with their daily responsibilities. However, it is essential for parents to dedicate quality time to their children, fostering open communication and understanding. Parents should build friendly relationships with their children, supporting them through their challenges and celebrating their strengths. Both parents and teachers, with their positive attitudes, play a pivotal role in shaping a child's future success.

Education is the key to transforming lives at various stages. It equips individuals with the skills needed for employment, innovation, and ultimately, poverty alleviation—both personally and within society. True education goes beyond material gain and blind acceptance; it nurtures critical thinking and a balanced view of progress.

Nelson Mandela wisely said, "Education is the most powerful weapon which you can use to change the world." Students must remember that their academic and personal achievements should be aimed at serving others. Our nation can only progress through selfless individuals committed to its upliftment. We encourage our students to aspire to be nation-builders through acts of service. With this noble intent, they will undoubtedly achieve true greatness.

At St. Mary's Sr. Sec. School, we provide every opportunity and resource to uncover and develop each student's hidden potential. As our students mature and prepare to leave the school's nurturing environment, I urge and challenge them to strive for something significant and to become individuals of great character.

*With regards,
Sr. Anisha Thomas
Principal*

Editorial Note

St. Mary's Sr. Sec. School is a well known institution oriented to the total formation of a child through adaptation of various methods suiting the dynamics of the changing world. It aims at academic excellence and committed approach towards dissemination of knowledge and values to bring the right thinking in the future generations to be able to meet the challenges of this fast paced world.

This e magazine, focuses on all the literary and artistic accomplishments of our students. The accolades received and the momentous moments are captured in this magazine. It is a reflection of all the activities carried out in the academic year 2024 - 2025 .We wish to take our readers on a ride through this year long journey of celebrations, competitions, awards and many more.

Good vibes–Good life

Our positive aura is very important for success in our day to day life. To consistently have a positive aura, we need to change our outlook & thinking process.

Here are some key points to help you do this:

- # To achieve a sense of peace, we need balance. Balance between work and play, between action and patience, spending and saving, laughter and seriousness, staying and leaving.***
- # It's hard to crack a smile when things are going wrong. A 2003 study by Simone Schnall and David Laird showed that if you fake a smile, you can trick your brain into thinking you're happy by releasing feel-good hormones called endorphins.***
- # Don't be afraid to spend some time alone. I've noticed that sometimes you can feel peopled out. It's just that you need a break, a chance to breathe and recharge. You just need to be alone for a while. That's perfectly acceptable and doesn't make you any less loving.***
- # What you consume, consumes you: what consumes you, controls your life.***
- # Create a relationship where you talk to each other about your problems, not where you talk about each other on social media. Statuses don't fix relationship issues, honest conversations do.***
- # If someone doesn't respect you or says you have flaws, there's a good chance you'll start to integrate their opinions into your sense of self. Simplify your circle of friends. Keep those who add value to your life; remove those who don't.***

Hope for the best😊

मानसून की शुभकामनाएं

बारिश पड़े तो भागिए नहीं..... छत नहीं खोजिये..... छाते कभी-कभार बंद रखिये... किस बात का डर है.....? भीग जायेंगे न...

तो क्या हुआ..... पिघलेंगे नहीं..... फिर से सूख जायेंगे.....

तेजाब नहीं बरस रहा है.....

आपकी 799 वाली टी-शर्ट भी सूख जायेगी.... ब्रांड भी उसका Levis से Lebis नहीं हो जायेगा.....

मोबाइल पालीथिन में कस के रखलीजिये.....

सड़क साफ़ है..... कोई नहीं आएगा.....

उस स्ट्रीट लैम्प की पीली रौशनी में डिस्को करती बूंदों को देखिये.

थोड़ा धीरे चलिये..... जल्दी पहुंच के भी क्या बदल जाना है.....

बारिश बदलाव है..... मौसम का.... मन का.... कल्पनाओं का..... और लाइफ के गियर का..... दिमाग से दिल की तरफ.

सब धुल रहा है.. प्रकृति सब कुछ धो रही है.. आप क्यों उसी मनहूसियत की चीकट लपेटे घम रहे हैं.

याद कीजिये.....

वो कागज़ की नाव, कॉलेज/कोचिंग में भीगे सिर आए वो लड़की, लड़के, बारिश में जबरदस्ती नाचने को खींच कर ले गये दोस्त.....

सब चलते-चलते याद कीजिये.....

दुहराना आसान नहीं होता..... दुहराना चाहिए भी नहीं..... लेकिन सहेजा तो जा ही सकता है. ताकि ऐसी किसी बारिश में चलते-चलते सोच के मुस्कुराया भी जा सके.

जुकाम से मत डरिये..... दवा से सही हो जायेगा.....

बारिश से डरेंगे तो फिर जुकाम आपका महंगा वाला शावर भी ठीक नहीं कर पायेगा.....

और वैसे भी. मैंने शावर में सिर्फ लोगों को रोते सुना मुस्कुराते नहीं..... क्योंकि उनका गाना भी रोने से कम नहीं होता है.....

बारिश आई है..... थोड़ा चल लीजिये..... थोड़ा भीग लीजिये..... खुद से मिल लीजिये. थोड़ा मुस्कुरा भी लीजिये.....

क्योंकि बारिश चन्द दिनों के लिये आई जैसे सावन में बिटिया घर आई हो.....

* चली जायेगी वापस.....

फिर न रोइयेगा कि अब कब आयेगी..

बारिश हो रही है.....

. उसके सहारे कुछ पल अपने लिये भी जी लेने की कोशिश कर लीजिये.....

शुभकामनाएं मानसून की,

रेनू गौड़

friends

IT IS A SIX LETTER WORD,
BUT IT MAKES ONE'S LIFE.
IT IS FRIEND ALONE,
WITH WHOM WE SHARE OUR JOY.
THE SUN CAN STOP SHINNING,
THE CLOUD CAN STOP SHOWERING,
BUT A FRIEND CANNOT STOP SHARING.
FRIEND IS A RAINBOW,
WHICH GLOWS EVERYDAY.
IT IS A FLOWER,
WHICH BLOOMS EVERYDAY.
FRIEND IS A RIVER,
WHICH GLOWS FLOWING ON.

The Girl Inside Me

I cry loud every night,
Thinking each passing day,
will bring some light in my life.
Did, I do anything wrong anywhere,
Yes, I shouted about my dreams everywhere.
I try to fix everything, every time,
But I don't know why it breaks every time.
Someday, somehow patience will bring light,
because the girl inside me wants to give
her dreams the biggest flight.
I know God it will take some time,
but I promise I will wait for the right time.

घर आना

कभी कभी तुम जीवन देना
कभी मेरे घर में आना
कभी कभी तुम मिलने आना
मिट्टी को सोना कर जाना
कभी धूप में कभी छांव में
मैं तो पथ में फूल लगा दू,
धूल तनिक ना लगे पांव में।
प्यारे मेरे धाम को आना,
दिन में आना शाम में आना
हर दुनिया के पालनहारे
मेरे घर में खाना खाना।
फिर तुम मेरी बातें सुन ने,
अपनी धरा पर रह जाना,
वापस जाना तब ही करना,
जब मैं थक कर सो जाऊंगी,
कठिन नहीं है मन को भरना,
सपनों में भी तुम्हें पाऊंगी।

जीवन में तुम नित्य आना,
इंद्र कभी आदित्य आना,
सत्य कभी तुम मिथ्या आना,
कभी कथन के नायक बन ना
कभी जतन से गायक बन ना,
आना कभी कहानी सुन ने,
कभी आना पंक्ति बुन ने,
कहने को तो मैं लिखती हूं,
पर तुम आना, शब्द चुन ने।
